I. AWARD OF SILVER STAR, POSTHUMOUSLY: By direction of the President, under the provisions of Army Regulations 600-45, dated 22 September 1943, as amended, the Silver Star Medal is awarded, posthumously, to the following named Officer:

EDMUND W. SEARBY, O12081, Brig Gen, United States Army. For gallantry in action in France during the period 7 August 1944, to 14 September 1944, in connection with military operations against an enemy of the United States. With utter disregard for his own personal safety, Brig Gen Searby continuously subjected himself to all types of enemy fire in order to more effectively supervise artillery missions and to coordinate Infantry-Artillery operations. His continuous presence in the front lines during engagements was a constant inspiration, not only to his artillery liaison officers and forward observers, but also to all front line troops, who, from his example and indomitable spirit, derived additional inspiration and zeal to seek out, close with, and destroy the enemy. It was with the most forward elements of the infantry troops that Brig Gen Searby gave his life while leading in the repulse of an enemy counterattack. His outstanding courage and inspiring leadership exemplified, for the entire Division, the highest ideals of the armed forces of the United States. Entered United States Military Academy from California.

II. AWARD OF SILVER STAR: By direction of the President, under the provisions of Army Regulations 600-45, dated 22 September 1943, as amended, the Silver Star Medal is awarded the following named Officers and Enlisted Man.

NEWMAN R. McLARRY, O533462, 1st Lt, Inf, Army of the United States. For gallantry in action in France on 5 and 6 September 1944, in connection with military operations against an enemy of the United States. On 5 and 6 September 1944, in an assault-boat attempt to cross a river, severe enemy artillery, mortar, machine gun, and small arms fire was encountered, temporarily halting the advance of the company to which Lt McLarry was assigned as a rifle platoon leader. Realizing the boats were stranded due to casualties and damage, and with utter disregard for his own safety, Lt McLarry moved over the exposed river bank into the swift moving stream and rescued his wounded comrades by securing the stranded boats with a rope and towing them to the friendly shore. Lt McLarry and his platoon then secured an island, essential to the crossing of the main body of troops. The success of this mission contributed greatly in attaining the objective of the battalion. The personal bravery, endeavor, and sincere devotion to duty displayed by Lt McLarry reflect great credit upon himself and the armed forces of the United States. Entered military service from Texas.
