NUMBER 86)

I. AWARD OF SILVER STAR: By direction of the President, under the provisions of Army Regulations 600-45, dated 22 September 1943, as amended, the Silver Star Medal is awarded the following named Officers:

WALTER P. CARR, JR, 0519672, 1st Lt, Inf, Army of the United States. For gallantry in action in France on 24 October 1944, in connection with military operations against an enemy of the United States. On the night of 24 October 1944, 1st Lt Carr was leading a patrol of 43 men with the mission of crossing the Seille River and capturing an enemy soldier from within the German held sector. While shuttling the river in a small rubber boat, Lt Carr and his men were suddenly showered with enemy grenade and machine gun fire causing the patrol to disperse. Lt Carr then reorganized his patrol and together with seven men continued on the mission. Upon crawling over 300 yards, Lt Carr suddenly discovered some of the enemy in foxholes to his immediate front. Unhesitatingly, and with utter disregard for his personal safety, Lt Carr assaulted one of the foxholes severely wounding one German soldier and capturing another. He then forced his prisoner to accompany him in a crawl some 300 yards back to his patrol thereby accomplishing the mission assigned. The personal bravery under constant fire and sincere devotion to duty displayed by Lt Carr are commensurate with the highest traditions of the armed forces of the United States. Entered military service from Arkansas.

WILLIAM A. HANNA, 01285581, 1st Lt, Inf, Army of the United States. For gallantry in action in France on 20 and 21 September 1944, in connection with military operations against an enemy of the United States. While serving as supply officer, Lt Hanna distinguished himself by gallantry in action in keeping vital supplies flowing to his battalion although cut off from the rear echelon by enemy action. His supreme courage and outstanding leadership in successfully fighting his way through strong enemy resistance with only a handful of men from the supply train, resulted in the capturing of 48 Germans and on the following day taking 9 more prisoners. The personal bravery, calmness under enemy fire, and sincere devotion to duty displayed by Lt Hanna exemplify the finest traditions of the armed forces of the United States. Entered military service from Pennsylvania.

FRANCIS L. McDERMOTT, 01015749, Capt, Inf (Armd), Army of the United States. For gallantry in action in France on 7 September 1944, in connection with military operations against an enemy of the United States. On the evening of 7 September 1944, Capt McDermott moved his tank to the edge of a moat surrounding a heavily fortified enemy position and in order to prevent the Germans from obtaining higher positions in the fortification, he placed upon it a continuous fire of 75MM shells. Because of a faulty mechanism, it was necessary for Capt McDermott to get out of the turret each time the gun was being loaded, thereby exposing him to constant enemy fire. Frequently he dismounted from his tank to personally encourage the advancing troops. Although wounded three times during this engagement, Capt McDermott remained for two hours under
