RECORD OF EVENTS

23 Sep 44--1930 Co was alerted for movements. Our mission was to protect high ground north east of town. At 2015, the Co moved to an assembly area and after much confusion it was decided that there was enough protection but due to an expected counter-attack, we were kept in mobile reserve. 0500 company alerted to move in defense behind our tanks. This was carried out and all we have done today is dig in and take a little shelling. We had 2 casualties. Remained in mobile reserve during entire day. The area was seached by artillery but

RECORD OF EVENTS

27 Sep 44 Orders finally straight and defensive position set up. Enemy activity all along our lines CP hit but still standing strong. The main street in town has become a bowling alley. The jerries are throwing everything they have but the only damage is that from lack of sleep the men are getting jumpy.
