SERIAL NUMBER	NAME	GRADE	CODE
1 Nov 44	Received word at first sergeants		
	call that three men and one officer could go		
	to Paris on 48 hour pass. This morning Lt		
	Marshall and the men left at 0600. The company		
	officers were called to Battalion where a		
	critique was held last night on the battalion		
	problem run 31 Oct 44. So today the commanding		
	officer held a critique with the men and		
	straightened out the mistakes. XXXXXX		
	Drill was hampered somewhat this morning		
	by a very heavy mist which is still in the air.

RECORD OF EVENTS

4 Nov 44 Same location. This morning there was a Co comdr's meeting at Bn Hq. Immediately after the CO returned, he held a meeting with the pltn leaders and informed them on the latest information such as checking gasoline, rations, and ammunition, and he prepared to move out on two hours notice. This afternoon, approximately 60% from this company were awarded the Good Conduct Medal. This afternoon, the company is receiving two months pay. Most men are sending most of their pay home.

2. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the problem (1.1)–(1.3) as $\varepsilon \rightarrow 0$. It is shown that the solutions of the problem (1.1)–(1.3) converge to the solutions of the problem (1.1)–(1.2) in the sense of the L^2 -norm. The convergence is uniform with respect to ε in the case of the problem (1.1)–(1.2) with homogeneous boundary conditions.

RECORD OF EVENTS

11 Nov 44 Our position remains the same. The afternoon of Nov 10 not much shelling during the PM and night. However, at approximately 1100 the 35th Inf supported by tanks and TD's went through our position and made an attack. This caused a lot of fire and lot of casualties. It is now 1330 and we have received orders to be prepared to move out immediately.

REVIEW OF RIGHTS

12 Nov 44 Location 00035 Ford de Guerra Zone
1 mi East of Oron. Moved out of our old position
1/2 mile N of Sornavilla and moved in a North-
eastern direction very little enemy activity en-
countered. We moved about 12 miles toward our ob-
jective. The we were halted for the night so
the Engineers could put up a bridge which had
been blown. We spent the night in a big field
and plenty of snow fell all night. This morning
Nov 13, we moved out early with Co "B" in ad-
vance guard. Another blown bridge encountered
after we covered about two miles. That means
another long delay. Many men are going to the
Hedias, with frost bitten feet. Morale low. 957

RECORD OF EVENTS

14 Nov 44 This afternoon, 13 Nov 44 held by mines on road due to muddy fields we are unable to bypass. Co 484 pulled off road for night at 1600 and platoons sent forward to high ground to dig in for night, to protect Engineers while they remove mines at night. This morning, 14 Nov 44 Company moved through cleared mine field and have gone only one mile again halted by direct fire weapons plus heavy artillery. Time now 1400. We are trying to coordinate an attack with foot infantry. Coordinated attack with foot infantry. Unsuccessful for us due to extensive mine fields. Lost medium tanks in the effort. However, the foot infantry was successful.

We stayed in the field again last night after moving only one mile. Moved again only about four miles so far today. 16 Nov 44 Location 02037 Nord de Guerre Zone 1 mi NW of Morhange. Company moved into Belvieu at approximately 1600, 15 Nov 44. There was very little resistance, we outposted the town with help from the foot infantry, most of the men took shelter in buildings for the first time in a long while. They were able to sleep peacefully with the exception of considerable shelling. Today the entire city has received a heavy shelling.

and we were withdrawing for some purpose. The Company moved out after dark with considerable confusion, finally, got started. Arrived at our destination at Bazange la Grande at 030017. The men bedded down for the night in barns. The supply sergeant is issuing new equipment. Received rations and mail.

 Disease. The company still remains in the same
 place. Most men are in pretty nice homes and
 eating good meals. blankets and clothes are
 getting dried out. The supply sergeant has sent
 forward a lot of new clothes and they are
 being distributed today.

REPORT OF EVENTS

25 Nov 44 Location 45029 Nord de Guerre Zone 1 mi SE of Wolfskirchen. Left Mess at daybreak. There was a change in place and we moved to within one mile SE of Penetrance. The men then dismounted and went forward on foot and occupied the high ground East of Penetrance. They advanced under heavy artillery fire and we had a few casualties. They dug in and prepared themselves for the night. The men were ~~very~~ tired, wet and cold and their morale was pretty low. 26 Nov 44 Location 45130 Nord de Guerre Zone 3/4 mi S of Wolfskirchen. At daybreak, the men moved to the outer edge of the woods East of Penetrance and dug in again. We had a few casualties from occasional artillery and mortar fire. They carried food and supplies up to the men on ~~the~~ light tanks. They spent the night in that position. Men are still tired, wet and cold, and morale is still pretty low. 25 Nov 44. The company was alerted at approximately 1300 today, but were informed at 1600 that it would remain in town over

night, much to the enjoyment of all. We were to move at 0700 26 Nov 44, but at 0715, the Bn C.O. and S-3 were at our company CP and said we would move at once, we moved out at 0750. Moved about 15 miles, then were dismounted and moved across the Sharp River, started to attack a small town but orders were changed and we were withdrawn about a mile, and prepared to attack a big forest line now 1200, 26 Nov 44. We are moving on Forest. The attack on the Forest was carried out very successfully with the aid of well directed artillery barrage and overhead fire from our medium tanks. We moved into Forest and run out about 15 prisoners, then started receiving artillery fire, and this is where we lost our two officers and Lt. Selden assumed command, we set up a defensive line for the night in the Forest. That night, the new C.O. received orders that we would clean out the entire Forest, and Company still in the lead of course. The Company moved through the Forest this morning 27 Nov 44, and encountered no further resistance. We set up a

defensive line along the edge of the Forest and near a bridge across a small stream with orders to keep the enemy from blowing it. Time now 1330, 27 Nov 44, we are dug in and prepared to defend bridge. 27 Nov 44. The afternoon was spent in trying to make some type of bed and shelter for night. Tonight, the enemy made one attempt to cross bridge and were driven back. The C.O. has been to a meeting at Bn Hq. and received orders we would cross stream and try to bypass near by town and move about 8 kilometers. This morning 28 Nov 44, at 0935, we were to cross bridge under smoke and under protective overhead fire from tanks. Co "B" leading the Bn. Again, we crossed bridge with no trouble, but were pinned down for a short while, by two enemy machine guns, the tanks knocked out one and we moved on around the outskirts of town as we started away from town, we received more machine gun fire and some mortar fire from the town, so our orders were changed to clean out the town with the aid of Company MEN.
