RECORD OF EVENTS

31 Oct 44. Company went out on practice run of fortified positions; firing was not used, but plenty of dynamite was set off and as they discussed the practice quite a bit the men seemed to pick up a few pointers. Usual quota went to Nancy on pass and the men attended movies. Several of the men took advantage of going to the improvised range to zero their weapons.

1 Nov 44. It frosted very heavy last night, its the first one since being in France. The fog was very heavy up till now or early this afternoon. It cleared up and the sun shone very bright for awhile. The usual calisthenics and close order and the rest of the morning was spent in going over the assault course. Three EM received passes to Paris, also the regular Nancy passes. Movies. Catholic services in the village church this afternoon.
