

SERVICE

EIGHTIETH DIVISION
YEAR BOOK

Roster of the Eightieth

THE following Roster of the 80th Division Veterans' Association is by no means complete—it contains the name, rank, organization and present address of the member's of the Division Veterans' Association who have joined the Association and paid their annual dues. It does not include the names of those of our number who were killed and wounded in action, nor those who returned as casuals. Should your name be missing from its proper place in your Company Roster, we urge upon you at this time the great importance of assisting us in correcting our records by sending us your name, address, rank and unit organization together with one dollar for your yearly dues—this is quite necessary in order that your name may appear in the complete Division History now in course of preparation. We will also appreciate any corrections, such as change of address, etc. Help us get out a 100 per cent Roster by sending in the name and address of every Buddy not listed here.
